Remarks

MARRY the house and DATE the interest rate on this affordable horse property with a stick built home and in a private location on 4.35 AC. There is some fencing to start your horse set up and several locations to do just that. This home is a cute modest ranch style and the bones are good. The location is on the northern side of Hwy 71 up against the foothills and state land is close. A great opportunity to step into a property like this at such a competitive price point. Don't wait to see this one
